An Excess of Love is a beautifully written and profoundly moving novel that explores the complexities of love, loss, and family. Cathy Cash Spellman has crafted a story that is both heartbreaking and hopeful, with characters that will stay with readers long after they finish the last page.

The novel tells the story of Maggie and Jack, a couple who have been married for over 20 years. They have two children, Sarah and Michael, and they live in a comfortable home in a small town. On the surface, they seem to have the perfect life. But beneath the surface, there are cracks beginning to show.

Maggie has always been a devoted wife and mother, but she has also felt a sense of emptiness inside. She has never been able to fully connect with her husband or her children, and she has always felt like an outsider. Jack,

on the other hand, is a successful businessman, but he is also a workaholic. He is often absent from home, and when he is there, he is often preoccupied with his work. Sarah and Michael are both bright and talented children, but they are also struggling with their own issues.

One day, Maggie discovers that Jack has been having an affair. This revelation shatters her world, and she is forced to confront the truth about her marriage. She realizes that she has been living a lie, and she begins to question everything she thought she knew about her life.

In the aftermath of Jack's betrayal, Maggie must find a way to rebuild her life. She must learn to forgive herself and others, and she must find a way to move on. But she is not alone in her journey. She has the support of her children, her friends, and her therapist. And she has the strength of her own spirit.

An Excess of Love is a novel about the power of love and the resilience of the human spirit. It is a story about loss, grief, and healing. But it is also a story about hope and redemption. It is a story that will stay with readers long after they finish the last page.
