With his slick demeanor and infectious grin, King Dice is a charismatic villain who adds a touch of humor to the game's more sinister moments.

The Devil

As the ultimate antagonist of the game, the Devil is a formidable and enigmatic figure. His menacing appearance and sinister demeanor make him a truly intimidating presence. However, even the Devil has his moments of humor, and the comics often depict him engaging in comical interactions with his minions or expressing his frustration with Cuphead and Mugman's persistent defiance.

Another comic shows King Dice attempting to teach Cuphead and Mugman the art of gambling. However, Cuphead's reckless approach to dice rolling and Mugman's misinterpretation of the rules result in a hilarious series of mishaps that leave King Dice exasperated.
