BOOSEY & HARTNELL

The Miserly Knight tells the story of Baron Philip, a wealthy and miserly old man who lives in a dilapidated castle with his son Albert. Philip's obsession with money has consumed his life, and he refuses to spend a penny on his son or himself.

Albert, desperate for money to pay his debts, begs his father for help. But Philip, unmoved by his son's plight, refuses. In a fit of despair, Albert plots

to kill his father and take his inheritance.

Pushkin's portrayal of Baron Philip is a chilling indictment of greed and avarice. The old man's soul is so twisted by his obsession with money that he is willing to sacrifice everything, even his own son, to preserve his wealth.

Mozart and Salieri

Mozart and Salieri is a psychological drama that explores the rivalry between two musical geniuses. Salieri, a talented but envious composer, is consumed by jealousy of Mozart's natural talent and effortless brilliance.

Driven by his envy, Salieri plots to poison Mozart. As they sit down to a dinner together, Salieri pours poison into Mozart's glass of wine. But before Mozart can drink it, he drops dead from a heart attack.

Pushkin's play raises questions about the nature of genius and the destructive power of envy. Salieri's jealousy of Mozart blinds him to his own talent and ultimately leads to his downfall.

The Stone Guest

The Stone Guest is a tragic tale of love, betrayal, and redemption. Don Juan, a notorious womanizer, seduces and abandons Donna Anna. Enraged by his betrayal, Anna's father challenges Don Juan to a duel and is killed.

Haunted by guilt, Don Juan flees to Spain. But his past sins catch up to him when he receives an invitation to a dinner party from the statue of Anna's father. Don Juan accepts the invitation, and as he sits down to eat, the statue comes to life and drags him down to hell.

Pushkin's play is a powerful exploration of the consequences of sin and the possibility of redemption. Don Juan's reckless pursuit of pleasure leads to his downfall, but even in hell, he is given a chance to repent.

Feast During the Plague

Feast During the Plague is a dark and atmospheric play that takes place during a plague outbreak in London. A group of young revelers gather at a feast to escape the horrors of the outside world.

As they drink and sing, they ignore the cries of the dying outside. But their revelry is cut short when one of their own, Mary, is struck down by the plague. As she lies dying, she tells the others to repent their sins.

Pushkin's play is a stark reminder of the fragility of life and the importance of compassion. The revelers' attempt to escape the realities of the plague only leads to their own destruction.
