To celebrate the film's 20th anniversary, a special Blu-ray edition has been released, featuring a host of new bonus features, including:

- A new audio commentary with director Paul Weiland and screenwriter Dana Carvey
- A making-of documentary
- Deleted scenes
- Outtakes
- Theatrical trailer

The new Blu-ray edition of "Inconceivable" is a must-have for fans of the film. The new bonus features offer a fascinating glimpse into the making of the film, and the high-definition transfer showcases the film's beautiful cinematography.

In addition to the new bonus features, the 20th Anniversary Edition of "Inconceivable" also includes a digital copy of the film, which can be redeemed via UltraViolet. This allows viewers to watch the film on their computers, smartphones, and tablets.

The 20th Anniversary Edition of "Inconceivable" is a fitting tribute to a classic comedy. The new bonus features and high-definition transfer make this the definitive version of the film, and it's a must-have for any fan of the film.

Review

"Inconceivable" is a timeless comedy that still holds up today. The film's clever script, witty dialogue, and memorable performances make it a joy to watch from beginning to end. The new 20th Anniversary Edition is the best way to experience the film, with its high-definition transfer and new bonus features.

The new bonus features offer a fascinating glimpse into the making of the film. The audio commentary with director Paul Weiland and screenwriter Dana Carvey is particularly informative, as they discuss the film's origins, its casting, and its production. The making-of documentary is also a worthwhile watch, as it features interviews with the cast and crew.

The high-definition transfer of "Inconceivable" is absolutely stunning. The film's beautiful cinematography is showcased in all its glory, and the new transfer reveals details that were not visible in previous releases. The sound mix is also excellent, and it provides a clear and immersive experience.

Overall, the 20th Anniversary Edition of "Inconceivable" is a must-have for fans of the film. The new bonus features and high-definition transfer make this the definitive version of the film, and it's a must-see for any lover of comedy.
